Subject: 9-14-2019 PIRU HEC AND UH-1H

CAUTION: This email originated from outside of your organization. Do not reply, click links, or open attachments unless you recognize the sender and know the contents are safe.

Hello

Attached is the work order packet for 9-14-2019 we will send the AS350 first to conduct the HEC and tools. When the crew is ready for the pole we will send the UH-1H out to lift the poles.

I spoke to SCE Air Ops and they are ok with the two ships.

Any questions please call me.

Thank you

Jeffrey M. Teubner
